

**Verse Comparison List**  
**King James Version (AV 1611)**

Here listed are over two hundred verses in the New Testament that are commonly changed or deleted in modernist versions of the Bible. The King James Bible gets them all right, as it is perfect, inerrant, and inspired by God (Proverbs 30:5, 6). Check your version to see the degree of perversion it contains. After checking all these verses in your version count the errors. Remember, a little leaven leaveneth the whole lump.

Get a King James Bible and your version, lay them side-by-side, and start to compare these verses in the two versions. I am sure the Holy Ghost will show the true believers which version to use.

Matthew 1:2 begat	Matthew 6:27 stature	Matthew 16:3 o ye hypocrites	Matthew 23:14 verse
Matthew 1:25 firstborn	Matthew 6:33 (kingdom) of God	Matthew 16:20 Jesus	Matthew 24:2 Jesus
